Dear Girl Scout Parents and Families,

**We appreciate you!** You contribute so much of your time and energy to your daughters and no one knows better than you about the difference that Girl Scouting makes in the lives of girls!

Did you know that it actually costs \$160-\$170 to serve ONE Girl Scout for an entire year? Contrary to what many think, each girl's \$10 membership fee is not retained in our Council, but is forwarded to Girl Scouts of the USA to cover insurance, program resources and other services. Also, while the Girl Scout cookie sale program teaches valuable skills, proceeds only cover about half of the \$160-\$170 needed.

Therefore, we must rely on personal donations to help keep Girl Scouting in Bergen County strong! Please support the services that Girl Scout Council of Bergen County provides directly to your daughter with your voluntary contribution through the Family Partnership Campaign.

**You can make your donation by completing the "I would like to contribute" portion on the Membership Registration Form or send in your contribution along with the form on the back of this flyer.**

#### **IMPROVED THIS YEAR!**

**\*\*Your Girl Scout Troop/Group will receive a rebate check equal to 20% of its total FPC donation.**

**\*\*Your Service Unit will receive a 5% rebate with 100% Girl Scout troop/group participation.**

**\*\*Every Girl Scout will receive a FPC participation patch as a special thank you for her family's contribution.**

Thank you for your support of our Girl Scouts as they become girls of courage, confidence and character who make the world a better place!
