

Children's Aid and Family Services, Inc. (CAFS)
200 Robin Road, Paramus, NJ 07652

Children's Aid and Family Services, Inc. (CAFS) provides foster care to boarder babies that were exposed to drugs and/or alcohol prenatally. Childcare is also provided to children whose parents are receiving drug and alcohol treatment. The foster parents provide the day-to-day care for the infants from the time they enter the system until return to their parents.

Supplies are always welcome to help the foster parents care for the children. If you would like additional information or to schedule a drop off of supplies, please contact the Children's Aid and Family Services, Inc. Please ask for Cindy Mitchell at (201) 634-3664.
